**Roll Call:** The May 7, 2018, meeting of the Wyoming Collection Agency Board was called to order at 10:00 a.m. by Bradley Chapman. In attendance from the Board were Bradley Chapman, Chairman, Bill Larson, and Rocky Edmonds. In attendance representing the Division of Banking was Joe Mulberry. In attendance representing the Attorney General’s Office was Karl Anderson. Other persons in attendance at the public meeting were Steve Johnson, Elizabeth Johnson, and Dan Russell.

**Rulemaking:** The purpose of this meeting was to continue with the rulemaking process so that the necessary changes to Chapter 2 could be completed and the process for adoption could begin so that the necessary changes for use of the Nationwide Multi-State Licensing System (NMLS) can be achieved. Karl Anderson presented the Board with information relating some changes to Chapter 2 that were previously being considered in order to consolidate other chapters in the rules. Since the new direction for rules revisions is to first amend only chapter 2 and then to finish the amendments to the rest of the chapters, it would be problematic to use the current draft version as it would create a duplication of language in some areas and the rules would be rejected. His recommendation, which was adopted by the Board, was to start with the current version of the Chapter 2 rules and to make only those changes that are necessary for use of the NMLS.

Chapter 2 of the rules was reviewed and changes relating to the NMLS were proposed. Rocky Edmonds made a motion for the Division of Banking to prepare a document containing all of the revisions discussed at the meeting and to forward it to the Board and Karl Anderson for review and consideration at the next Board rules meeting.

Revisions to the other chapters of the rules will be reviewed and discussed at later meetings.

**Adjournment**

There being no further business, the Chairman declared the meeting adjourned at 10:37 a.m.
